Beam - 7,62 Meters ( 25 Feet)  
Max Draught - 3,48 Meters (11,4 Feet)  
Gross Tonnage - 131  
Displacement Tonnage: 105

### PERFORMANCE & CAPACITIES

Max Speed - 13,00 kn  
Cruising Speed - 10.00 kn  
Range (nm) - 4,000 nm @ 10 kn  
Fuel Capacity - 19,500 litres - 5,151 gal  
Water Capacity - 5,500 litres - 1,452 gal

### ENGINES

Make - Luger  
Model - L6140A  
Type - Diesel  
Quantity - 1  
Total Power - 570 hp

## MATERIALS

Hull - Aluminium  
Superstructure - Aluminium  
Deck - Teak

## ACCOMODATION

Guests - 6  
Passenger Rooms - 3  
Master Rooms - 1  
Double Rooms - 1  
Twin Rooms - 1

## OTHER NOTABLES FEATURES

Tenders - 1  
Crew - 4

## CATALOGUE ESSAY

Guests will enter the wheelhouse/upper salon through either a port or starboard doorway. The salon offers a 360 degree view of the horizon with comfortable seating for guests as well as the interior steering station and navigation center well suited for passage making. Forward of the helm station and below is the main salon. Whether one wishes to host formal dining or simply relax, this light and wellappointed area has been renewed by present owner and holds a vast library of music and videos to entertain.

Leading aft from the salon are port and starboard guest cabins. The port VIP cabin has a queen berth and starboard has twin berths which can also be converted to one king size bed. Granite floors and counter surfaces within guest heads have been renewed as of 2013. All interior rooms are unusually spacious for a 30+ meter sail yacht.

The master stateroom is aft with a full beam area to relax. A steam shower is available aside from the normal bath amenities.

Forward and portside of the master is a bonus room or nanny cabin. This room can serve many different functions including a

Pullman berth for sleeping, a gymnasium for work outs or simply a storage area for luggage.

The full beam stairways leading up the transom are an early Dubois/Alloy trademark and make for easy access on to the spacious aft deck. Spacious lockers are accessed back here on either side of the deck level Jacuzzi.

The twin steering station wheels and controls allow for excellent visibility while under sail as well as when docking the boat in close quarters. Forward of the helm station is a very comfortable center cockpit which provides an excellent venue for outside dining or a wonderful area for guests to observe the sailing action while underway. Immediately forward and above is an ideal sunning area/observation post providing an elevated view of the horizon.
