## CATALOGUE ESSAY

Sailing yacht PRANA is much more than just a beautiful place to relax your body and soul. It is also much more than just a gorgeous haven of luxury and tranquillity. PRANA is a veritable nirvana, it's whatever you want it to be, a yacht where your personal desires can be realised and your dreams made real. Pleasure surrounds you, from the polished steel at the bow, through the shadows cast on the deck by the magnificent mast, to the waves lapping at the stern. This magnificent 52m superyacht is a joint project by Alloy Yachts and Dubois Naval Architects. Its creators have made the perfect combination of speed, comfort and style. PRANA's hallmarks are her sweeping hull lines resembling a racing yacht, her sleek fly bridge and distinctive superstructure which have already gained her recognition as a modern classic. PRANA's impressive amount of interior space on each level is a distinctive quality in comparison to other sailing yachts. There are plenty of special features to satisfy guests: a perfectly designed cabin layout with generous amounts of open space; a variety of toys for an active holiday; and of course the spectacular exterior, ensuring a grand entrance into the most famous marinas and ports around the world
