CATALOGUE ESSAY

Built by SP Gurit and Advanced Yachts, ADVANCED 80 offers the perfect interior-exterior balance blend between a spacious interior and a striking exterior.

ADVANCED 80 offers a spacious interior, striking exterior, effortless performance, top quality and unmatched reliability. All of these facets combine with the benefits of a custom-made product, make ADVANCED 80 a unique and worthy choice for yachting enthusiasts. Each detail of ADVANCED 80 can be customized — from the amount of cabins, to the layout and use of space. Her designers have used the latest sailing technology to create a yacht that is both fast and expansive. She can sleep up to six guests in three sleek and modern staterooms. The aft section of ADVANCED 80 is enormous and offers seating for all on board. The perfectly consistent design of ADVANCED 80 is a true testament to the craftsmanship of Advanced Yachts. Thanks to a glass-encased front-open deckhouse, ADVANCED 80 offers 360-degree panoramic views and incredible natural airflow. Currently, the A100 is in the design stages and we are happy to assist should you require further information on this yacht, the A80 or A66.
