

2020 Seabob F5 S, Big Label Zircon Blue For Sale

12,828 €

QUICK SPEC

Name	Seabob F5 S
Builder	Seabob
Year	2020
Capacity	1 Pilot
Length Overall	1,152 M (3,77 Feet)
Beam	0,50 Meters (1,64 Feet)
Range	0,00 nm @ 00 kn
Cruising Speed	20 km/h (10,7 Kn)
Location	

TECHNICAL SPECIFICATIONS

GENERAL CHARACTERISTICS

Name - Seabob F5 S
Yacht Type - Powered Toys
Yacht Subtype - Seabob (Water Scooter)
Series, Model, Class - F5 S
Builder - Seabob
Color - Big Label Zircon Blue

PERFORMANCE & CAPACITIES

Drive - E-Jet Power System
Performance up to - 4.0 kW
Maximum thrust up to - 480 N
Power Levels - 6

SPEED

Over water up to - 20 km/h (10,7 Kn)
Under water up to - 18 km/h (9,7 Kn)
Drive - E-Jet Power System
Depth Max - 40 m (131 Feet)

DIMENSIONS

Length - 1,152 M (3,77 Feet)
Beam - 0,50 Meters (1,64 Feet)
Height - 0,37 Meters (1,21 Feet)
Weight - 34 kg (75 lb)
Buoyancy in Water - 10 kg (22,04 lb)

ACCUMULATORS

Operating time - Ø 60 min
Standard charging - Ø 7 h
Quick charging - Ø 1,5 h

FEATURES

The SEABOB can be equipped with integrated camera technology on request. Thereby, two camera systems are integrated in the SEABOB. There is a full-HD camera as a recording system in the watercraft's bow. This camera films and saves everything experienced and discovered in the fascinating underwater world at the push of a button. Another full-HD camera is found on the information display. This camera is an integrated Action-Selfie-Cam and is activated by simply pressing a sensor. It saves all of the pilot's recordings when driving the SEABOB. With the recording technology switched on, the SEABOB information display performs the monitor function. This allows all camera recordings to be professionally controlled. All recordings are saved in the SEABOB on-board system and can be directly transmitted to any Smartphone or other alternative storage media with WLAN technology. With the SEABOB-Camsystem, you can always share your unique experiences in the fascinating underwater world with others at any time.

OPTIONS

- The Chrome Package makes a unique statement: Display and tail in a matt-chrome design; tail ring chromium plated.
- Black Package: Tail, display console and tail ring in matt black design.
- The SEABOB serial colours have a robust surface. They are protected against high wear thanks to a special surface technology.
- High-gloss surfaces Bicolour and Big Label Design.
- The Lumex Bright Colours are high-gloss surfaces in intense luminous colours, All high-gloss coloured surfaces are created by hand using high-quality multiple-layer paint systems.

The SEABOB F5 S is an ultimate high-performance watercraft. Weighing just 34 kg, the vehicle possesses extremely good handling properties out of the water. The SEABOB F5 S boasts a strong propulsive force of 680 newtons in the water. The E-Jet Power System is controlled in 6 power levels. These gears of the SEABOB F5 S allow you to glide along at a relaxed pace in a low gear or, for more ambitious high-speed driving, switch up to 6th gear.

The watercraft has a highly sporty character and stands out in terms of its extraordinary dynamism. Its sporty appearance is emphasised by elements in a matt chrome design. The SEABOB F5 S is at home in the sea and its high degree of manoeuvrability also makes it ideally suited for use in larger pool complexes.
