DESCRIPTION

- The Phenix Pro is an allround SUP surfboard with a high performance shape.
- Double bamboo sandwich / wood innegra construction making the board lighter and more rigid!
- With a Vee around the fin area and a flat middle section the board has excellent glide, acceleration and is easy to turn from rail to rail.
- Light, solid and super responsive in small, medium and large surf.
- The Phenix Pro 10' is designed for riders up to 100-110 kg. Ideal rider weight for this board is between 85 kg and 100 kg.

TECHNICAL INFORMATION

- Double bamboo sandwich / wood innegra construction
- Tri-axe fiberglass
- EPS HD foam core
- Central PVC stringer
- Extra PVC reinforcement around the fin boxes, the carry handle and under the feet.
- The board comes with a set of RWP fiberglass fins (US and standard Future) and full deck pads.
