CATALOGUE ESSAY

Built in GRP to RINA class by Italian yard Benetti, Edesia was designed by Stefano Righini and was delivered early in 2014 as one of the yard's Benetti Classic 121 series. MCA compliant, a bright, contemporary interior by Frrancois Zuretti accommodates 12 guests in five staterooms. The Master suite has a king size bed with his and hers walk-in dressing rooms, and there are port and starboard VIP staterooms plus two twin cabins with Pullman berths. All staterooms have en suite bathrooms. The main saloon is bathed in light and offers a striking and comfortable ambiance while the Master suite has a panoramic view continuing the use of glass and light to create that feeling of space. The foredeck area has been redesigned on this unique Benetti Classic to provide an incredibly spacious and sociable area. Twin 1,450hp MTU engines give her a cruising speed of 13.5 knots and a range of 3,400 nautical miles at 11 knots.
