## CATALOGUE ESSAY

Built in 2010, RL Noor offers guest accommodation for up to 8 guests in 4 suites comprising a master suite located on the main deck, one VIP cabin and two twin cabins. There are 6 beds in total, including 2 queen and 4 singles. She is also capable of carrying up to 7 crew onboard to ensure a relaxed luxury yacht charter experience. Built with a wood hull and wood superstructure, she benefits from a semi-displacement hull to provide exceptional seakeeping and impressive speeds. Powered by twin MTU engines, she comfortably cruises at 17 knots, reaches a maximum speed of 20 knots. An advanced stabilisation system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort levels at anchor or when underway. Set against the backdrop of your chosen cruising ground, you and your guests can enjoy fun on the water with the collection of water toys and accessories aboard RL Noor. Principle among these are towable toys offering fun and adventure. In addition there are waterskis that are hugely entertaining whether you are a beginner or a seasoned pro. Also there are wakeboards so guests can show off at speed. If that isn't enough RL Noor also features bikes, inflatable water toys and snorkelling equipment.
