## CATALOGUE ESSAY

The multi-award winning 39m/127'11" sail yacht 'Endeavour' was built by Camper & Nicholsons in the United Kingdom at their Gosport shipyard. Her interior is styled by design house John Munford and she was completed in 1937. This luxury vessel's exterior design is the work of Charles E. Nicholson and she was last refitted in 2014. Endeavour has been designed to comfortably accommodate up to 8 guests in 4 suites. She is also capable of carrying up to 8 crew onboard to ensure a relaxed luxury yacht experience. Endeavour is built with a steel hull and wood superstructure, with teak decks. Endeavour comfortably cruises at 9 knots, reaches a maximum speed of 13 knots with a range of up to 1,900 nautical miles from her 7,150 litre fuel tanks at 8 knots. Her water tanks store around 4,140 Litres of fresh water. She was built to Lloyds Register classification society rules.
