CATALOGUE ESSAY

The shimmering 85m (279ft) expedition motor yacht Victorious is built by the Ak Yachts shipyard Turkey. Her classically chic interiors are helmed by H2 Yacht Design with her exteriors penned by the iconic studio Michael Leach Design. She can accommodate up to 12 guests across 11 guest suites, making for an exceedingly comfortable experience onboard. Five staterooms are located on the main deck, four on the lower, and two on the bridge deck. Her onboard highlights include a 10-seat cinema, heated swimming pool, hammam, an aft deck Jacuzzi, a cocktail lounge observation saloon, and a dazzling upper deck complete with a sky lounge for spell-binding panoramas. She is also capable of carrying up to 22 crew onboard across 11 cabins. Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin Caterpillar engines, she comfortably cruises at 13 knots, reaches a maximum speed of 17 knots with a range of up to 14,000 nautical miles from her 258,457 litre fuel tanks at cruising speed.
