CATALOGUE ESSAY

The 86.01m/282'2" 'Man of Steel' motor yacht built by the Dutch shipyard Oceanco is available for charter for up to 12 guests in 7 cabins. This yacht features interior styling by Italian designer Nuvolari Lenard. With an abundance of space and superlative amenities across her luxurious decks, you'll be spoilt for choice on a luxury yacht charter aboard Man of Steel. She is equipped with a dancefloor, movie theatre, spa, elevator, underwater lights, beach club and gym. Seven Seas features a trademark Oceanco design concept – an infinity pool on the aft deck that can be conveniently transformed into a helipad or entertaining area, first seen on the multi-award winning superyacht Alfa Nero. Built in 2010, Man of Steel offers guest accommodation for up to 12 guests in 7 suites comprising a master suite, two VIP cabins, three double cabins and one twin cabin. The master suite incorporates its own study and dressing room. A crew of twenty-eight, Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin MTU engines, she comfortably cruises at 16 knots, reaches a maximum speed of 19 knots with a range of up to 5,200 nautical miles from her 292,000 litre fuel tanks at 15 knots. Man of Steel features at-anchor stabilizers providing exceptional comfort levels.
