CATALOGUE ESSAY

The 81.27m/ 266'8" 'Alfa Nero' motor yacht built by the Dutch shipyard Oceanco. This multi-award winning yacht features interior styling by Alberto Pinto. Built in 2007, Alfa Nero is custom-built for world-class luxury yacht chartering, offering a wealth of spacious living areas and fabulous amenities, you'll be in for a treat from the moment you step on board. Her features include a dance floor, beauty salon, spa, elevator, beach club and gym. Alfa Nero won numerous design awards for her innovative approach to superyacht living, including her huge beach club area and swimming pool on the aft deck conceived by exterior designer Carlo Nuvolari, a design now incorporated into many subsequent yachts. The interior, by Alberto Pinto, blends elegant understatement with pop art and features a staircase that wraps around a glass lift shaft. Alfa Nero offers guest accommodation for up to 12 guests in 6 suites comprising a master suite, two VIP cabins and three twin cabin Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin MTU engines, she comfortably cruises at 15 knots, reaches a maximum speed of 20 knots with a range of up to 6,000 nautical miles from her 295,000 litre fuel tanks at 14 knots.
