CATALOGUE ESSAY

The 68.2m/223'9" motor yacht 'Soaring' is an excellent new superyacht for the luxury charter market. Delivered by the German shipyard Abeking & Rasmussen and featuring interior styling by Focus Yacht Design she can comfortably accommodate up to 12 guests in 6 cabins. Built in 2020, Soaring boasts a multitude of decks ideal for relaxation and entertainment indoors or outdoors, ensuring guests will live la dolce vita on the open waters. She has sensational features such as a spa, elevator, underwater lights, beach club and gym. Soaring offers guest accommodation for up to 12 guests in 6 suites comprising a master suite, four double cabins and one twin cabin. She is also capable of carrying up to 17 crew. Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin MTU engines, she comfortably cruises at 14 knots, reaches a maximum speed of 16 knots with a range of up to 4,500 nautical miles from her 203,000 litre fuel tanks at 13 knots. An advanced stabilisation system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort levels at anchor or when underway.
