There are up to nineteen crew members on board, Double Down benefits from some excellent features to improve your charter, notably wheelchair-friendly access, making this vessel suitable for all guests. Travelling from deck to deck is quick, easy and accessible with the on-board elevator or elsewhere, with Wi-Fi connectivity you don't have to lose contact with the outside world. Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull.
