CATALOGUE ESSAY

The The 41m/134'6" open yacht 'Flying Dagger' was built by Codecasa in Italy. Her interior is styled by design house Porfiristudio, Flying Dagger has been designed to comfortably accommodate up to 8 guests in 4 suites comprising one VIP cabin. She is also capable of carrying up to 6 crew onboard. Built with a aluminium hull and aluminium superstructure, with teak decks, she has impressive speed and great efficiency thanks to her planing hull. Powered by 3 x diesel MTU (16V2000 M93) 16-cylinder 2,399hp engines running at 2450rpm, she comfortably cruises at 30 knots, reaches a maximum speed of 34 knots with a range of up to 518 nautical miles from her 20,000 litre fuel tanks at 30 knots. Her low draft of 1.4m/4'7" makes her primed for accessing shallow areas and cruising close to the shorelines. Her water tanks store around 3,000 Litres of fresh water. She was built to ABS (American Bureau of Shipping) ✶A1, Yachting Service, AMS classification society rules.
