CATALOGUE ESSAY

The 52m/170'7" 'Vianne' (ex. Tommy) motor yacht built by the Italian shipyard Benetti . This yacht features interior styling by English designer Terence Disdale. She offers guest accommodation for up to 12 guests with a layout comprising a master suite, two double cabins and one twin cabin. The supremely spacious full beam master suite incorporates its own study. There are 9 beds in total, including 1 king, 2 queen, 4 singles, 2 pullmans and 1 convertible. She is also capable of carrying up to 12 crew onboard. Built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin Deutz engines, she comfortably cruises at 14 knots, reaches a maximum speed of 20 knots with a range of up to 4,606 nautical miles from her 70,000 litre fuel tanks at 12 knots. An on board stabilization system ensures comfort when underway
