CATALOGUE ESSAY

The 60m/196'10" motor yacht 'St David' (ex. Xanadu) by the Italian shipyard Benetti offers flexible accommodation for up to 12 guests in 6 cabins and features interior styling by British designer Winch Design. Built in 2008, St David offers guest accommodation for up to 12 guests in 6 suites comprising a master suite and five cabins that can operate as twins or doubles. The bed configuration includes 1 king, 1 queen and 4 doubles. She is also capable of carrying up to 14 crew onboard. built with a steel hull and aluminium superstructure, she offers greater on-board space and is more stable when at anchor thanks to her full-displacement hull. Powered by twin Caterpillar engines, she comfortably cruises at 13 knots, reaches a maximum speed of 17 knots with a range of up to 5,500 nautical miles from her 116,000 litre fuel tanks at 12 knots. An advanced stabilisation system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort levels at anchor or when underway.
