CATALOGUE ESSAY

The 41m/134'6" motor yacht 'Stefania' is an excellent new superyacht for the luxury charter market. Delivered by the French shipyard Dynamiq and featuring interior styling by Giuseppina Arena this award winning yacht can comfortably accommodate up to 11 guests in 5 cabins. Built in 2021, Stefania offers guest accommodation for up to 11 guests in 5 suites comprising a master suite, three double cabins and one twin cabin. She is also capable of carrying up to 6 crew onboard to ensure a relaxed luxury yacht experience. Stefania is built with a aluminium hull and aluminium superstructure. Powered by twin MAN engines, she comfortably cruises at 15 knots, reaches a maximum speed of 21 knots with a range of up to 5,000 nautical miles from her 29,600 litre fuel tanks at 10 knots. Her low draft of 1.8m/5'11" makes her primed for accessing shallow areas and cruising close to the shorelines. An advanced stabilisation system on board reduces the side-to-side roll of the yacht and promises guests exceptional comfort levels at anchor or when underway.
